DETAILED ACTION

Oath/Declaration

The original oath filed March 15, 2001 is defective because inventor Stacy Wyatt's information is listed twice. However, inventor Steven Pelote's information is missing.

Applicant is now required to submit a substitute declaration or oath to correct the deficiencies set forth in this letter. The substitute oath or declaration must be filed within the THREE MONTH shortened statutory period set for reply in the "Notice of Allowability" (PTO-37). Extensions of time may NOT be obtained under the provisions of 37 CFR 1.136. Failure to timely file the substitute declaration (or oath) will result in **ABANDONMENT** of the application. The transmittal letter accompanying the declaration (or oath) should indicate the date of the "Notice of Allowance" (PTOL-85) and the application number in the upper right hand corner.
